

**Orlando, April 12, 2022**

We cordially invite you to join our charitable cause.

We are Saqui Community, a 501(c)(3) Non-Profit Association. Our mission is to help transform the lives of women, by providing them with the necessary tools they need to prosper and support their families. We offer Scholarships to those who need them to earn their title as Certified Nail Technicians and gain financial independence.

We would like to extend an invitation for you to participate in the 15 Primaveras Gala located at Illusions Banquet Hall, 10 West Monument Avenue, Kissimmee, FL 34741, which will take place on May 20 of this year. We will be celebrating that long-awaited Quinceañera celebration for women between the ages of 30 and 100, who never had the joy of celebrating their dream due to extraordinary circumstances that prevented them from its fulfillment. But now that dream will come true thanks to your extended support, donations, and help.

We also extend the invitation to different organizations to propose their "quinceañera" which we really want to be someone who has not been able to celebrate their Sweet fifteen at the time due to an adverse situation, who is over 30 years old and is desiring this opportunity in their hearts. We only ask you to support us by acquiring a table of 10 people at the event with a donation of \$550.00 this includes dinner, refreshments, and direct support for the quinceañeras. (Table reservations do not sponsor the event).

To successfully carry out this event, we request the support of public and private entities, non-profit organizations, professionals, businesspeople, and members of the community, who wish to join the group of sponsors so that this celebration becomes a tradition. It would be an honor to have your participation in one of our sponsorship packages that we detail below.

(The funds raised will be used to cover the expenses of the event. Scholarships will also be offered to students so that they can practice their profession as future nail technicians).
